ghatkopar west asalpha village

EDUCATION

Teresa High School
SCC Maharashtra State Board
(2019)
Vidya Niketan College
HSC State Board of Maharashtra
(2021)
Universal MSG-SGKM College
BSC-IT University of Mumbai
(2024)

SKILLS

- 1.HTML, CSS
- 2.Javascript, node.js
- 3.Mysql, Mssql
- 4.StarMUL, (build software structure)

EXPERIENCE

- As fresher to the workforce and just finished studying, I'm excited to start my career and be a part of the tech industry.

HOBBIES

- My passion lies in coding, and I find joy in exploring new technologies to expand my knowledge.

Communication

Although my English may not be the best. I actively look for chances to get better and face challenges, improve my communication skill.

Projects

Simple Web Page: Made a simple website to show my skills in HTML and CSS.. Link:
<https://yashkappa.github.io/simple-web-page/>

To-Do List: Engineered a task management application, demonstrating my organizational and coding capabilities. Link: <https://yashkappa.github.io/list/>

Anime Web Page: Thought of and created a special web page for anime to demonstrate creativity in making websites. Link: <https://yashkappa.github.io/anime-app/>

Weather Report App: Designed an application to display weather information, highlighting practical coding skills. Link: <https://yashkappa.github.io/weather-report/>

Ongoing Project

Project Integrity: Anti-Duplication Software - Right now, I'm deeply involved in making software that prevents copying and ensures data stays accurate.
